**Probable Cause:**

Complainant is an employee of the City of Glendale and bases this complaint on information and belief and on a review of official police reports prepared by Glendale Police Officers which are the kind Complainant has used in the past and found to be truthful and reliable and which Complainant knows were prepared in the ordinary and regular course of police business.

Those reports reveal that on February 19, 2020, at approximately 1:25 AM, Officer Bartlein was on routine patrol when he observed a car run a red light while turning southbound on N. Port Washington Road, in the City of Glendale, Milwaukee County, Wisconsin. Officer Bartlein proceeded to follow the car and observed it perform a U-turn at W. Richter Pl., which has a posted no U-turn sign. Officer Bartlein initiated a traffic stop by activating his marked squads siren and the car came to a slow and gradual stop in about a block. The car did not get put into park and after a couple of seconds, the car quickly accelerated headed northbound. The pursuit lasted approximately 4.9 miles and reached a top speed of 86 miles per hour. During the pursuit, the driver went through at least one red light, drove on

the wrong side of the road, and passed another car on its right. The pursuit ended when officers deployed stop sticks and the car's tires were deflated.

The sole occupant was the driver. When the car came to a stop, the driver began to flee on foot. Officer Bartlein was able to pursue the driver on foot until another squad caught up and the driver stopped running. The driver was verbally identified as Ronald Glover, the Defendant, after he provided his name and date of birth.
