Hi Kendra

Any team members from Young America's Foundation who will be on site for the Verdict event on Wednesday, October 13, 2021, will be sure to follow the University of Wisconsin's health protocols and guidelines.

Please let me know if you need anything further from us on this front.

Best,

Patrick X. Coyle, Jr.
Vice President
Young America's Foundation

Thanks, Pat. I am forwarding this on to Legal Affairs and anticipate hearing back promptly.

Re: the language. Yes, we will need confirmation from the RSO and YAF that they and person(s) involved with the event will follow campus health protocols. This is a part of the terms and conditions of the standard Theater Usage Agreement & Estimate for the venue as well.
