Dear Wisconsin lawmakers,

We are parents of public-school children in Wisconsin, as well as Wisconsin taxpayers. We are writing today in support of Assembly Bill 963 and Senate Bill 962, important and necessary legislation that will create a Parental Bill of Rights in Wisconsin.

Parents like us want to be deeply involved in the education of our children. We want to be partners with their teachers and school administrators. Unfortunately, too often the school establishment stands against parents like us who sincerely care about our children's education and experiences while in school. This is deeply concerning to us.

We applaud Representative Gundrum, Senator Darling, and the cosponsors of AB 963 and SB 962 for taking a stand for parents. The legislation will help parents take back power from the public-school establishment, ultimately empowering parents and improving outcomes for children. Please support the legislation when you have an opportunity so that the fundamental rights of parents as it relates to the upbringing, education, health care, and mental health of their children is clear and protected in Wisconsin.

Sincerely,
