

HENNEPIN COUNTY SHERIFF'S OFFICE
ADULT DETENTION DIVISION
ADMINISTRATIVE DIRECTIVE # 21-02

Date: 06/09/2021

Subject: ICE Procedure Change (This directive supersedes Administrative Directives #14-018, #14-019, #14-020, #17-004, #17-005)

Directive:

The Hennepin County Sheriff's Office will not hold individuals in custody at the Adult Detention Center when the only documentation for that individual to be held in custody is a Department of Homeland Security / Immigration and Customs Enforcement (DHS/ICE) Immigration Detainer. These detainers (I247G, I247A, I200, and I205) are administrative warrants which are not signed by a judge and do not constitute judicial authority to hold an individual. ICE will not be notified of the admittance or release of any individual based on any of these detainers.

If continued detention of an individual for ICE is authorized based on a judicially signed immigration warrant, ICE will be notified when they become the holding agency. Absent a judicially signed immigration warrant authorizing the continued detention of an individual for ICE, that individual will be released from custody when all local charges or other holds have been disposed of.
